

Centre Development Officer for Foundry Court

£20k to £25k pro rata for part time hours (20 hours per week)

Based principally in Manningtree (working sometimes from the Society's main office in Colchester), this post will be responsible for the development of sustainable and imaginative services suitable to a multi-purpose community centre with a steer towards the needs of older people.

This is an exciting opportunity to make a real difference to the community in Manningtree and the surrounding area. The Centre is a community partnership driven by the needs of local people, supports healthy living and reduces reliance on primary health services with a strong preventative agenda.

This post is grant funded and so is being advertised as a fixed term contract for 12 months. Future funding is dependent on achieving alternative income streams and the successful delivery of services.

If you have a background in community development, working with vulnerable people or developing community partnerships please visit our website www.colnehousing.co.uk for more information.

Alternatively call Liz Mullender in our Business Support Team on 01206 244740 for an application pack.
